

MONEY HACKS:

Engineering Your Financial Future

MY PERSONAL FINANCIAL BLUEPRINT

Build it this week. Use it for life.

ABOUT ME

Name: _____

Age: _____

Dream Job / Career: _____

City I want to live in at 25: _____

HOW THIS WORKS

Mon > Section 1: Your Budget — where does your money go?

Tue > Section 2: Investing — make your money grow

Wed > Section 3: Your Side Hustle — build something of your own

Thu > Section 4: Debt & Credit — avoid the traps

Fri > Share your Blueprint — celebrate what you built

"The best time to start was yesterday. The second best time is now."

SECTION 1: MY BUDGET

Monday · Where does your money come from — and where does it go?

DAY 1 — MONDAY

Imagine you are 22 years old and just started your first job. Fill in your best guesses below.

MONTHLY INCOME	MONTHLY EXPENSES
Job / Salary	Rent / Housing
Side Hustle	Food / Groceries
Other Income	Transport
TOTAL INCOME	Phone / Internet
	Entertainment
	TOTAL EXPENSES

WHAT'S LEFT OVER (Income minus Expenses):

BUDGET REFLECTION

What is the biggest expense you did NOT expect?

What is one expense you could cut to save more money?

MY SAVINGS GOAL

Something I want to save for:

How much it costs: \$

How many months to save for it:

Amount I need to save per month: \$

MONEY MINDSET CHECK

Do you think of yourself as a saver or a spender right now? Why?

What is ONE thing you learned today that surprised you?

SECTION 2: MY INVESTING PLAN

Tuesday · Make your money grow while you sleep

DAY 2 — TUESDAY

THE POWER OF STARTING EARLY (fill in from the demo)

Start Age	Monthly \$	At Age 65
If I start at 18		
If I start at 28		
If I start at 38		

The difference between starting at 18 vs 28 is:

MY STOCK PORTFOLIO (launched Tuesday, checked Thursday)

Company Name	Stock Symbol	Buy Price	# Shares	Total Invested	Thu Price	Gain/Loss
Stock 1:						
Stock 2:						
Stock 3:						
TOTAL PORTFOLIO:				\$10,000		

MY INVESTING STRATEGY

Index funds or picking stocks? Why?

How much per month will I invest when I get my first job? \$

What age will I start investing?

VOCABULARY I LEARNED TODAY (write definitions in your own words)

Stock:

Index Fund:

Dividend:

Bull Market:

Compound Interest:

SECTION 3: MY SIDE HUSTLE PLAN

Wednesday · Build something of your own

DAY 3 — WEDNESDAY

MY BUSINESS IDEA

Business Name: _____ Price per sale: \$ _____

What do I sell / offer: _____ Cost to deliver: \$ _____

Who are my customers: _____ Profit per sale: \$ _____

Why will they choose me: _____ Sales needed per month to earn \$500: _____

THE PROBLEM I SOLVE

What problem does my business fix, or what need does it fill?

HOW I MARKET IT

How will people find out about my business? (social media, word of mouth, flyers?)

MY BIGGEST CHALLENGE

What is the hardest part of making this business work?

DROPSHIPPING NOTES

Product I would test: _____

Selling price: \$ _____ Product cost: \$ _____ Profit margin: \$ _____

What makes a good dropshipping product?

CRYPTO & BLOCKCHAIN NOTES

In my own words, blockchain is:

One risk of investing in crypto: _____

Would I invest in crypto? Why / why not? _____

SECTION 4: DEBT & CREDIT

Thursday · Avoid the traps — use debt as a tool, not a trap

DAY 4 — THURSDAY

MY CREDIT SCORE KNOWLEDGE

Exceptional 800–850	Very Good 740–799	Good 670–739	Fair 580–669	Poor 300–579
------------------------	----------------------	-----------------	-----------------	-----------------

My score at end of simulator: _____

What this means for my interest rate: _____

The single most important thing I can do to protect my credit score: _____

DEBT AVALANCHE vs. SNOWBALL (from the activity)

Method	Total Interest Paid	Time to Pay Off	How It Feels
Avalanche	_____	_____	_____
Snowball	_____	_____	_____

Which method would I use? Why?

GOOD DEBT vs. BAD DEBT

GOOD DEBT (can build wealth)

Student loan (smart major): _____

Mortgage: _____

Business loan: _____

BAD DEBT (drains wealth)

Credit card balance: _____

Payday loan: _____

Car for status: _____

MY DEBT PLAN

Will I take out student loans? If yes, how will I manage them?

What is the one type of debt I will NEVER let myself carry?

If I get a credit card at 18, what is my rule for using it?

MY FINANCIAL FUTURE

Friday · Put it all together — your blueprint is complete

DAY 5 — FRIDAY

MY TOP 5 FINANCIAL GOALS (be specific!)

1

Goal: _____
By when: _____ First step: _____

2

Goal: _____
By when: _____ First step: _____

3

Goal: _____
By when: _____ First step: _____

4

Goal: _____
By when: _____ First step: _____

5

Goal: _____
By when: _____ First step: _____

5 MOVES I CAN MAKE THIS YEAR

1. Open a savings account and set up automatic transfers
2. Track ALL my spending for 30 days — no exceptions
3. Start learning about investing (1 article per week)
4. Launch one small side-hustle experiment
5. At 18: open a Roth IRA and invest even \$25/month

LETTER TO MY FUTURE SELF AT 30

What do you want your financial life to look like? What will you tell yourself to remember from this week?

I commit to taking control of my financial future.

Signature: _____ Date: _____
